This Meeting Notice is our first attempt to reach some of our member via email versus printing and mailing out pieces of paper. A Thank You to the 42 members who have chosen to save both the club money and to help the environment by getting these notices electronically. If you are receiving this notice via USPS mail and have an email address and would like to join the 42 members in the electronic age, please send an email to ray.walczak@verizon.net and at the same time add that email to your address or safe list so as not to have the spam filters intercept Polish Junior League mass emails.
